

PRODUCT ORDER FOR FOOD BOOTHS

Please help us reach our goal of becoming a Zero Waste event by using only compostable food service products and not using any Styrofoam, plastic or foil.

If you order through us, the Fair committee will be able to consolidate all the orders and obtain a bulk discount from Sustainable Island Products. In appreciation for your support in reducing the amount of waste going into the Island's landfill, the Fair committee is offering a \$35 credit for orders of \$50 or more.
